

VETERANS OF FOREIGN WARS OF THE UNITED STATES

Allen "Gunner" Kent, Adjutant General

September 15, 2008

Department Adjutant-Quartermasters

As you are aware, homes, businesses and land from Galveston Island to Port Arthur to Beaumont in Texas have been destroyed by Hurricane Ike. However at this time, we do not know if any VFW Posts were lost.

As a result of the devastation, the Department Texas has established a special fund to assist our members who have been evacuated and or suffered a loss due to the hurricane.

The Department of Texas is asking for our support. Please notify the Posts in your Department and ask them to contribute to this immediate relief effort. Monetary donations may be sent directly to Roy Grona, Adjutant-Quartermaster, Department of Texas Headquarters, 8503 N IH 35, Austin, Texas 78753-5722.

Thank you for all you do for this great Organization.
